## *Independent Baptist Missionaries to Croatia*

July & August 2021

Dear Fellow-Laborers,

Greetings to you from Texas! Tori and I arrived safely to begin a five-month furlough. In just a month we've had meetings in Georgia, Alabama, Florida and Texas. It has been a joy to report and see so many old friends. Please continue to pray as we have four more months ahead of us and many more miles to travel.

The works in Croatia are in good hands! Brother Sam and Brother Ron are taking care of everything, and I'm blessed to have them both as co-laborers. Both missionaries love our people, and our people love them. It makes taking furlough easier and a lot less stressful. Please pray for them as they hold the fort and pray that God would use them greatly!

Tori continues to suffer with health problems. Before we left Croatia we met with a specialist and he now thinks she needs surgery on her knee, after 18 sessions of physical therapy, he ordered another MRI. We are trying to hold out the five months and take care of this when we return home. Please pray for her. She has good days and bad concerning the pain levels. Pray that she can make it until we get home or that God would give wisdom of how to take care of it in the States.

We have a full schedule ahead of us with just a few open dates. It is my desire to be a blessing to churches as we report about the work in Croatia. God has been good to us and so many have held the ropes so that we can preach and reach the Croatian people. Please pray for us as we travel and for Holy Spirit power as we present the field and as I preach in so many different places.

Bibles are still being distributed and I just got word, (from Bible Literature Missionary Foundation in Shelbyville, Tennessee), that we will be receiving another container of Bibles, about 24,000 in October! Glory to God! All I can say is Brother Sam and Brother Ron better get busy passing out Bibles.

As I close, I want to thank all of you for holding the ropes through prayer and financial support! We love all of you and are grateful for you!

Because He lives,

*Johnny Leslie*
